Project Selection Detail Report

Project Selection – Unfunded Selected Sections

This report lists all the selected sections in the project(s) but because of insufficient funds, are not able to fund. It contains the following information: Project Name, Street Name, Street and Section IDs, Begin/End Locations, Weighted Effectiveness Rating, Section Selected (Yes/No), Treatment Description, and Cost. The records are grouped by treatment year and sorted by Street Name and Section ID.

It is used in conjunction with Scenarios – Sections Selected for Treatment Report.
